

fresh picked freeze dries

Reservation Contract

Freeze drying is the state-of-the-art method of preserving flowers. Yet there are many factors beyond our control that effect preservation results. *Fresh Picked Freeze Drieds* cannot be held responsible if the preservation process is not successful. Some flowers will change color, and over time colors can soften. In general, the fresher the flowers; the better the results.

Your reservation is the day the flowers are delivered to or picked up by *Fresh Picked Freeze Drieds*. A \$100.00 deposit is required at the time the reservation. This deposit will be credited to your account. Deposits are refunded only if the freeze drying machine experiences down time beyond our control and flowers spoil. If this should happen, you will be contacted immediately. *Fresh Picked Freeze Drieds* cannot be held liable for botanical spoilage.

100% of the display price is required when the display is ordered. Arrangements should be made for your finished flowers to be picked up within 7 days of being notified of completion. If you have not contacted us or picked up your flowers within 2 weeks, a \$20.00 late fee will be added to your account. After 4 weeks, your flowers will be considered abandoned and all moneys and flowers will become the property of *Fresh Picked Freeze Drieds*. Please allow 10 to 12 weeks for completion of your display.

I understand and agree to all conditions and requirements listed in the reservation contract.
